APPLIANCE Testing Supplies

WAVECOM TNP-500 TEST AND PRINT UNIT

The Wavecom TnP-500 is an extremely popular all-in-one kit, making it well suited for high volume testing or for people testing multiple sites and locations. It'll automate your entire test and tag process from start to finish, thereby increasing your overall productivity and quickening your testing procedure.

This setup comes completely integrated in a robust carry case, with all accessories you'll need to complete the test and tag process, including a thermal printer, barcode scanner, WinPAT's software and keyboard.

Features

- Storage capacity of 5000 items
- Fixed and portable RCD testing
- Print tags on the spot
- Re-test items quickly using the scanner
- Unit displays actual test readings
- Mobile memory unit
- QWERTY keyboard for easy data entry

Accessories

WinPAT's Premium Software, Barcode Scanner, Thermal Printer, QWERTY Keyboard, Heavy Duty Carry Case, 1 Free Roll of 500 Printable Tags, 1 Free Roll of Thermal Ribbon, Earth Bond Lead, 240V Extension Lead Adaptor, Manual & Calibration Certificate.
