WAVECOM GENERATION 4 TNT -EL

\$899.00 EXCL. GST

Coming in an all new sleek design and featuring a built-in carry handle, the Generation 4 TNT -el is an ideal choice for anyone that's after an easy-to-operate and simple appliance tester.

With one button push operation, it's as simple as pressing 'F1' for Class I tests and 'F2' for Class II tests. It's also capable of conducting Leakage Current testing - a rarity for a tester in this price range.

Features

- » Unit displays actual test readings
- » One button testing
- » Unique Meter Mode function
- » Leakage Current Testing
- » Capable of testing sensitive electronic equipment
- » Supplied with carry bag
- » Fully compliant to AS/NZS 3760

Accessories

Carry Case, 240V Extension Lead Adaptor, Earth Bond Lead, Manual & Calibration Certificate.
